

Faculty & Program Development Grants

Dr. Karen Rodriguez'G
Acting Director

I ILLINOIS

Office of Undergraduate Research

Objective

- Create a climate of discovery at University of Illinois

By

- Promoting and supporting curricular and co-curricular research experiences for undergraduates

Key Selection Criteria

- Is it sustainable?
 - Can it be supported beyond initial Office of Undergraduate Research funding (and tell us how)
- How does it enhance research experiences and opportunities for undergraduate students?
- What is the anticipated impact?

Important Application Criteria

- Proposals should provide:
 - How it engages the new campus Student Learning Outcomes or major/program requirements, as appropriate
 - Means for assessment & evaluation
 - Clear timeline
 - Detailed budget
